- ✚ Our staff has been helping local travelers for 30 years.
- ✚ We are an unbiased resource. Our staff will audit a variety of sources for best price.
Did you know that airlines restrict their lowest fares on most websites? If you are searching on an airline's own website, you have no way of knowing if another airline is priced better. Airlines eliminate your ability to comparison shop.
- ✚ Our customers tell us they appreciate having someone they can count on to intervene when things go wrong.
We will be there for you if you encounter flight delays, airline strikes, hurricanes or any other problem. Have you ever had the joy of sitting on hold with an airline while you attempt to get their help on a problem? Have you ever stood in line trying to get re-accommodation at the airport when flights are canceled?
- ✚ We have access to hotel discounts at 29,000 hotels in 144 countries.
- ✚ We have car rental discounts with Avis, Budget, Thrifty & Advantage.
- ✚ Our agency & employees are local. We pay local taxes & support this community.
- ✚ We offer centralized reporting, which can be customized by department.
- ✚ We offer access to an *after-hour* emergency service.
